

INTELLIGENCE COMMUNITY STAFF

3 September 1981

STAT

Mr.

Attached is a copy of the DoD policy on use of a NDA for SCI. While it doesn't mandate use of the Form 4193, it offers no other option.

This is a much stronger presentation than DDCI appears ready to issue.

FYI, State (INR) has adopted and is using Form 4193 for SCI access. Justice has again reversed itself from their original "no" to "yes," they are now back to "no." John MacNamara says his shop hasn't made up its mind.

How are we going to play it in the Agency?

K

Reference is made to

[redacted] note of

3 September 1981, which raises a question as to how we are going to play the use of a NDA for SCI.

I strongly support the position of [redacted]

that we: (a) certainly not "retrofit" and (b)

continue to use Form 4066 until ordered/directed by the DDCI to do otherwise. The "retrofit" aspects of this strike me as amazing but I have not been in on SECOM deliberations.

2 SKIP -
 WE WILL HAVE TO GET
 NDA'S FOR OUR SCI
 POPULATION EXCEPT
 PERHAPS THE CURRENT STAFF
 EMPLOYEES (I HOPE THAT
 WITH OGC CONCURRENCE WE
 CAN GET A WAIVER ON
 THEM) HAVE [redacted]
 WORK UP A PLAN FOR
 THE ACQUISITION OF SIGNED
 NDAs FROM EVERYONE ELSE.
 WE OBVIOUSLY NEED TO
 WORK THROUGH THE AREA SECURITY
 OFFICERS FOR THIS. *
